SUBJECT: Letter of Support for the Establishment of EWB Kazakhstan

This letter serves to confirm that Mr. Arman Komekbayev is looking to establish a national Engineers Without Borders (EWB) organisation in Kazakhstan, an effort which has the support of EWB International. EWB Kazakhstan is currently a start-up member organisation of the global EWB network, and upon successful registration, they can become a full member. The team at EWB International and I work closely with Mr. Komekbayev and his team to deliver demonstrable benefit to the world.

Please do not hesitate to contact us in case of any questions, thank you very much.

Sincerely,

A handwritten signature in black ink that reads "J. Schneider". The script is fluid and cursive, with a large, stylized 'J' and 'S'.
